

Investment Objective & Strategy

The aim of the **VIP Australian Shares Leaders Portfolio** is to provide investors with investment income and capital growth in excess of the S&P/ASX 200 Index over the long term from investment in a portfolio of medium to large capitalisation Australian companies. The portfolio invests in 15 to 30 Australian shares within the S&P/ASX 200 index that have been selected via a quantitative, qualitative screening process, and align with macroeconomic themes identified by our analysts and consultants to generate excess returns over the long term.
